*By Kate Pangelinan*  
The Feb. 14 Monument Planning Commission meeting centered on discussion of Phase 2 of the Sanctuary Pointe housing development. Phase 2 would be built west of the existing Phase 1. The project's Preliminary/Final Planned Development (PD) Site Plan was discussed at this meeting, with public interest focusing largely on expectations for the exit roads serving this development. The proposed plan was approved in the final vote and will now be discussed at the March 19 Board of Trustees meeting.

Commissioners Jim Fitzpatrick, Kenneth Kimple and Michelle Glover were absent. Over 20 citizens were in

attendance. The meeting is also available to watch on YouTube, at <https://www.youtube.com/channel/UCd-FL08UcqZIFdkio5JT6GDA/videos>, or see <https://monumenttownco.documents-on-demand.com/> for archived recordings.

**Project description**  
Planner Jennifer Jones provided a presentation describing the Sanctuary Pointe development, which is located just north of Baptist Road and west of Fox Run Regional Park. The sketch plan for Phase 2 of the Sanctuary Pointe project was originally approved in 2006. The property has not currently been platted—this meeting was to determine layout and density.
