

Who's Ready for School?

Are you wondering if your child is developing on track? Give us a call for a free consultation just in time for the new school year! We are currently taking new patients with no wait list!

We offer many treatments for children with general developmental delays, Autism, ADHD, and Dyslexia, just to name a few.

At our Tri-Lakes Health Pavilion location we offer a comprehensive and holistic approach, using therapies like Aquatic and Animal Assisted Therapy. Let us walk through this journey with you.

Partnering With Families, Educators, And Medical Professionals To Unlock The Full Potential Of Every Child!

We Evaluate & Treat In Many Areas:

Adaptive Development,
Articulation / Language, Autism,
Spectrum, Balance, Feeding,
