**Monument Hill Frontage Road closure**

Crews have closed a portion of the Monument Hill Frontage Road, east of mainline I-25, for about seven months. The 1,100-foot closure is required as crews construct a wildlife underpass, replace drainage pipes, complete roadway construction, and install a sound wall between northbound I-25 and the frontage road. The closure will be located between the Colorado Heights Campground access points. See map at right. Access to and from the campground will not be disrupted. Wildlife underpasses will help reduce animal-vehicle collisions along the I-25 South Gap corridor, and the improved drainage will prevent flooding and soil erosion in this area. The sound wall will extend from Misty Acres Boulevard, just north of Palmer Ridge High School, to the Telios Law building on Monument Hill Frontage Road. For more information on this closure, visit [www.codot.gov/projects/i25-south-gap/monument-hill-frontage-road-closure](http://www.codot.gov/projects/i25-south-gap/monument-hill-frontage-road-closure).

**Our Community Calendar**

By Judy Barnes,  
Community Calendar Editor

Although we strive for accuracy in these listings, dates or times are often changed after publication. Please double-check the time and place of any event you wish to attend by calling the info number for that event.

The unpredictability of the COVID-19 situation presents scheduling challenges to area governance entities and other organizations. Because OCN is a monthly publication, readers should assume that information published in this issue is subject to change and event information should be confirmed a day or two before the event by calling the information number or checking the organization's website.

Many entries show dates even though the event has been canceled or suspended. The date indicates when the event was planned to be held or when it would normally have been held.
