**The Sunflower is for people with non-visible disabilities**

Watch for green and yellow sunflower lanyards, bracelets, and ribbons, discreet ways to make the invisible visible. Wearing the Sunflower discreetly indicates to people around the wearer including staff, colleagues and health professionals that they need additional support, help or a little more time. However big or small, your help moves us closer to a society where people recognize that an offer of help, understanding and kindness can make a huge difference to the daily experiences that a Sunflower wearer has.
