

An important message for our readers
OCN needs your help!

Our Community News is an all-volunteer organization. For the past 20 years, our volunteers have provided unbiased reporting on important local issues, including real estate development, fire departments, school districts, and water availability. We have provided a very favorable platform for advertising local businesses. We have published letters to the editor to allow you to express your opinions on events affecting the Tri-Lakes area.

Now we find that we have more tasks than we have volunteers. Some vital jobs where we could use your help:

- Reporters. Reporting on local meetings, what

they talked about and what they decided.

- Mailing assistants. Counting and lifting tubs of papers to take the monthly mailing to the post offices and stacks of papers to local businesses, loading and unloading mailing tubs from a truck at two locations, preparing postoffice paperwork, tub labels, subscription labels, etc.
- Drivers. Driving a rental truck to various post offices once a month.
- Ad sales assistants. We need volunteers who love *OCN* to contact local businesses and encourage them to advertise in *OCN*.

The time and skills involved vary greatly from job to

job. *OCN* will provide whatever equipment and training you need.

Please join us today! Meet a group of interesting and committed people. Learn new skills—use your enthusiasm and creativity to benefit our community and celebrate unfiltered information.

Please call Publisher John Heiser at (719) 488-3455, or email johnheiser@ocn.me to see how you can contribute. Contact John today! He is waiting to hear from you. Together we can ensure that *OCN* continues to provide a vital service to our wonderful Tri-Lakes community.

Drop the Distracted Driving

Colorado has a law that bans texting while driving for drivers of all ages. CDOT found that most people have a "Do Not Disturb While Driving" feature on their phone in a recent survey, but many don't know how to use it. The unexpected can happen in an instant. Be proactive, learn how to enable this feature see [DropTheDistraction at distracted.codot.gov](http://DropTheDistraction.at.distracted.codot.gov).

The safety stop is now state law

Bicyclists in Colorado now have safe and legal options for navigating through intersections after governor Jared Polis signed Colorado house bill 22-1028 into law on Wednesday, April 13, 2022. The new law, which allows bicyclists and users of low-speed conveyances to treat stop signs as yield signs and stop lights as stop signs when they already have the right of way, goes into effect immediately statewide. Info: bikecoloradosprings.org.

Neighborhood safety

What qualifies as suspicious activity? "If you see something, say something." It's vital to report to local law enforcement. Suspicious activity can refer to any incident, event, individual or activity that seems unusual or out of place. Some common examples of suspicious activities include: A stranger loitering in your neighborhood or a vehicle cruising the streets repeatedly. Someone peering into cars or windows. Here's what local authorities and Colorado Department of Public Safety says is needed information: Who did you see; what did you see; when did you see it; where did you see it; why it is suspicious. Call 911 or your local law enforcement agency.

Seniors Driver's License Electronic Renewal

With the implementation of the Driver's License Electronic Renewal By Seniors Act (HB21-1139), Colorado seniors now have the permanent ability to renew their driver license or identification card online, but there are new laws to understand. Information is online via mycolorado.state.us. Some restrictions apply to drivers aged 21-80, and drivers over 80 need a special doctor's statement. Coloradans who are concerned about an elder family member's ability to drive should email dor_mvhelpdesk@state.co.us.

DMV online and kiosks

Clerk & Recorder's Office provides motor vehicle and driver's license services. 30+ services at mydmv.colorado.gov. Renew registration online or at a kiosk. The Sunflower is for people with non-visible disabilities

Watch for green and yellow sunflower lanyards, bracelets, and ribbons, discreet ways to make the invisible visible. Wearing the Sunflower discreetly indicates to people around the wearer including staff, colleagues and health professionals that they need additional support, help or a little more time. However big or small, your help moves us closer to a society where people recognize that an offer of help, understanding and kindness can make a huge difference to the daily experiences that a Sunflower wearer has.

Palmer Lake trailhead parking kiosk

For visitors wanting to park up close to the trailhead, patrons will be required to pay for that parking space. The kiosk was installed in February and staff is testing the hardware. Please note that the kiosk is for debit and credit payments only and the parking payment receipt needs to be displayed on the dash of your vehicle. Take care to confirm that the license plate number printed on the receipt matches your vehicle. The parking fee is \$5 plus processing fee and is subject to change for special events, holidays, etc., as determined by the Town Board.

Area code required for local calls

Colorado customers with numbers in the 719 and 970 area codes should dial 10-digits (area code + telephone number) for all local calls. They will still count as local calls. Check your safety and security alert devices to be sure they are programmed with 10-digit dialing. You can still dial just three digits to reach 711 (relay services) and 911 (emergency services) and other local three-digit services including 211, 311, 411, 511, 611, 711 or 811 are currently available in your community, dial these codes with just three digits.
