Breathing Apparatus (SCBA). See www.ocn.me/v22n1.htm

Bradley said the SCBA had been purchased, but the

scheduled March delivery date is subject to change due to supply chain issues. However, the

district did receive the extra new SCBA masks, and those are out with the Wescott employees as

they are orientating with the TLMFPD crews.

2022 election resolution
Kovacs said two director seats are up for election on May 3, and he will be the designated election official.

Gunderman said that the vacant position left by Hartung in January is up for re-election in May, but by the time the board identifies someone to fill the vacant slot only two meetings would be remaining before the election.

Powell said if the district receives more than two self-nomination forms, an election must be held.

The board accepted 4-0 the resolution calling for a polling place on May 3.

Note: Self-nomination forms and acceptance forms must be submitted no later than close of business on Feb. 25 and are available at the TLMFPD/DWFPD Administration Office, 16055 Old Forest Pointe, Suite 102, Monument, CO 80132.

2022 Board of Directors meeting schedule

Kovacs said the district website will continue to be maintained and the board meeting schedule and physical meeting place will be posted at www.wescottfire.org.

The board approved 4-0 the meeting schedule for 2022.

Meeting access problems
OCN made multiple attempts to join this meeting using the dial-in feature. However, a "code invalid" message was received during every attempt to re-join the meeting. Upon request, a recording was provided electronically by the Administrative Assistant Stacey Popovich the following day.

The meeting adjourned at 4:57 p.m.

Meetings are usually held on the third Tuesday of every month at Station 1, 15415 Gleneagle Dr. at 7 p.m. Due to COVID-19 distancing protocols, meetings are held virtually for public attendees. The next regular board meeting is scheduled for Feb.15 at 4 p.m. For updates, virtual meeting joining instructions, agendas, and archived minutes, visit www.wescottfire.org or call the Administrative Assistant Stacey Popovich at 719-488-8680.

Natalie Barszcz can be reached at nataliebarszcz@ocn.me.

A BETTER HEARING CENTER
HAPPINESS IS BETTER HEARING

At Better Hearing Center, we are committed to providing advanced care for adults and children with hearing loss. We understand that every individual has unique challenges and our patients will receive specialized treatment to help them hear again. We recommend that everyone, especially those 55+, to consider getting an annual hearing test as part of their overall wellness program. If you or your loved one is experiencing hearing loss, call us today!

Our Services:

- Hearing Evaluations
- Hearing Aids
- Custom swim Plugs
- Custom Hearing Protection
- Aural Rehabilitation Programs
- Auditory Training
- Assistive Listening Devices

COLORADO'S POWER PATHWAY PUBLIC OPEN HOUSES

Please join us to provide input on transmission line routes and substation locations

Xcel Energy continues to make progress identifying potential locations for Colorado's Power Pathway. Please join us at one of our upcoming in-person public open houses to provide input about our revised transmission line routes and substation site options. These revisions incorporate link-specific feedback received from landowners, community members and other project stakeholders. Visit ColoradosPowerPathway.com for up-to-date information as we continue making revisions based on feedback.

Project staff will be available to provide information about transmission line routing activities and answer questions about the new transmission line project, including the overall timeline, route options, construction processes and topics related to easements and right-of-way. We want to hear from you about this important project and any issues we should consider in your area.

No formal presentation is planned, so please attend at any time during the open house. If you are unable to attend, meeting materials and an electronic comment form are available on the Project website.

OPEN HOUSE SCHEDULE

Monday, Feb. 28
4-7 p.m.
Arapahoe County Fairgrounds
Exhibit Hall B
25690 East Quincy Ave
Aurora, CO 80016

Tuesday, March 1
3-7 p.m.

Exhibit Building
95 Ute Ave
Kiowa, CO 80117

Wednesday, March 2
5:00-7:30 p.m.
Big Sandy Schools
Cafeteria
18091 CR 125
Simla, CO 80835

Thursday, March 3
5:00-7:30 p.m.
Edison School District
Cafeteria
14550 Edison Rd
Yoder, CO 80864

Note about COVID-19: If local, state or corporate guidance prevents in-person meetings or affects venue capacity, these open houses may be rescheduled or moved to an online format. Please check ColoradosPowerPathway.com or call the project hotline at 855-858-9037 for up-to-date information.

ABOUT THE PROJECT

Colorado's Power Pathway is a \$1.7 to \$2 billion investment proposed by Xcel Energy to improve the state's electric grid and enable future renewable energy development around the state. This project will increase electric reliability, boost the regional economy and create jobs during construction. We estimate the system will cross more than a dozen counties and include:

- Approximately 560 to 650 miles of new 345-kilovolt electric transmission lines in eastern Colorado.
- Four new and four expanded substations

If approved, construction could begin in 2023 and the first transmission segments could be in service in 2025, with other segments completed in 2026 and 2027

Visit ColoradosPowerPathway.com to learn more.
