Forest Lakes Metropolitan District and Pinon Pines Metropolitan Districts 1, 2, and 3, July 11 and 28

Residents rely on lake water; new trail approved

By Natalie Barszcz
On July 11, Forest Lakes Metropolitan District (FLMD) and Pinon Pines Metropolitan Districts (PPMD) 1, 2, and 3 held a joint “special meeting” via teleconference. The combined boards heard about the water supply outlook and well issues and approved an agreement for a new trail and a new contract for landscape and maintenance services. The board also accepted the 2021 audits, discussed board vacancies, and held an executive session. FLMD also held a second special meeting on July 28 to approve a notice of award for a well.

FLMD and PPMD’s 2 and 3 board meeting
Treasurer Douglas Stimple did not attend the meetings.
Dillon Well offline
FLMD District Manager Ann Nichols said the following:
• The Dillon Well has been offline since late May, and the district and residents are relying solely on water from Bristlecone Lake.
• There is sufficient capacity in the lake and at the surface water treatment plant,

but the district will need to get the Dillon Well back online.
• Lane Engineering Inc. is assessing the condition of the well and has pulled out the pump and motor, but it is likely the pump failed and holes are present in the casings, and that is a problem.
• A quote from Lane Engineering to rehabilitate the well is a sizable amount of money to rectify all the issues, and the district is
