Letters to Our Community

Our Community News welcomes letters to the editor on topics of general interest to readers in the Tri-Lakes area. We do not knowingly print letters that are substantially the same as letters that have been submitted to other publications. To ensure that OCN contains a variety of viewpoints, each letter writer is limited to a maximum of one (1) letter per issue and six (6) letters within a twelve (12) month period. To submit a letter, please:

- Email your letter, preferably as an attached Microsoft Word document, to editor@ocn.me or mail a copy to **Our Community News, P.O. Box 1742, Monument, CO 80132-1742**.
- Identify your submission as a letter to the editor and confirm that it has not been submitted to any other publication.
- Include a suggested headline or title that summarizes the topic you are addressing.
- Limit your letter to no more than 300 words including your suggested headline and closing.
- Include your full name, home address, phone numbers, and email address, if you have one. Only your name will be published.
- Submit your letter so we receive it no later than midnight, Friday, two weeks prior to the publication date.

If you have not received an acknowledgement two days after your email submission or one week after you mailed your letter, please contact John Heiser, Publisher, at (719) 488-3455 or editor@ocn.me. At OCN's sole discretion, we may ask you for clarification of your statements. Include references, such as website links, in your letter for any facts and figures you cite. OCN does not guarantee every letter will appear in print or on-line and does not guarantee a publication date. The number of letters printed on a particular topic or in a particular issue may be limited. Letters containing personal attacks or endorsements for or complaints about individually-named commercial products or services will not be published.

Content

Articles in Our Community News focus on the deliberations of Tri-Lakes area governmental bodies such as the Monument Board of Trustees, Palmer Lake Town Council, and many of the local water, sanitation, fire, and school district boards.

Unlike papers that try to figure out what the "story" is and then get quotes on each side to presumably lead the reader to conclude what the "truth" is, OCN's role is to report in detail on public meetings of local governmental entities. We report what was talked about and what was decided. By reading OCN, you can find out what you might have learned if you had attended those public meetings. In this context, "truth" is that the articles accurately represent what transpired at the meetings.

The content of ads, inserts, and letters to the editor in OCN is solely the responsibility of the advertisers and authors who place those ads, inserts, and letters. The appearance of an ad, insert, or letter in OCN does not imply endorsement of the ad, insert, or letter's content or purpose. While OCN does not knowingly run false ads, inserts, or letters, we do not research the accuracy of that content. Readers are encouraged to do their own research prior to committing to use the products or services offered or accept the conclusions of letters to the editor. Readers with concerns about the content of an ad, insert, or letter should take up those concerns with the advertiser or author.
