WHAT IF THE WORD **HOMOSEXUAL** WAS NEVER MEANT TO BE IN THE BIBLE?

1946

THE MISTRANSLATION THAT SHIFTED CULTURE

"1946 is a feature documentary that follows the story of tireless researchers who trace the origins of the anti-gay movement among Christians to a grave mistranslation of the Bible. It chronicles the discovery of never-before-seen archives at Yale University which unveil astonishing new revelations, and casts significant doubt on any biblical basis for LGBTQIA+ prejudice." — 1946themovie.com

We'll view the film in two parts and create space each evening for thoughtful discussion and exploration for those who wish to participate.

When: Sunday March 8th & 15th 4:00-6:00pm
Where: Woodmoor Barn Community Center
