

Gleneagle Drive. Some of the options that will be available are:

- Home safety: fire, insurance, disaster preparedness
- Personal health: vision, dental, physical
- Flight for Life helicopters
- El Paso County K team
- Fire apparatus on display
- Smokey Bear appearance

Bring canned goods or personal care items such as diapers, laundry soap, toilet paper, etc. to benefit Partners in Housing. You will be entered into a drawing to win a dinner at the firehouse, cooked by Wescott firefighters.

For more information, see www.wescottfire.org or call 488-8680.

Administrative items

The board unanimously approved a resolution to reappoint the district's attorney Pat Hrbacek, who has begun work with a new law firm, Forbush Legal Offices PC in Colorado Springs.

The board unanimously approved minutes for the regular meeting held April 25 and a special meeting held May 16. The minutes for the May 16 meeting stated that an executive session for negotiations began at 7:17 p.m. and that "Roger Lance, board member from Tri-

Lakes Monument Fire Protection District, joined the executive session to answer general questions about the Tri-Lakes board's intent."

These minutes also noted that the executive session was ended at 9:04 p.m. and that Gent made a motion "to support gathering information and entering discussions with Tri-Lakes Monument Fire Protection District on a variety of issues. Campbell seconded the motion. The board voted, and all members agreed with the motion."

During discussion of the April financial report, the board unanimously approved a motion to place the \$12,000 in cash value that the district would receive following cancellation of Wescott-financed insurance

policies. The policies provide \$10,000 in the general fund for accidental death of employees while the staff finalizes a proposal to self-insure the members of the staff for the same amount.

Colarelli Construction submitted a final construction invoice for about \$42,000. The only remaining invoice for the new Shamrock Station on Highway 83 and Stagecoach Road will cover landscaping and will not exceed \$23,000.

Chief's report

There were 175 calls in April, up from the 136 runs in April last year. The district conducted 637 man-hours of training for its career and volunteer staff members.

The meeting adjourned at 7:49 p.m.

The next meeting will be held at 7 p.m. on June 27 in Station 1, 15415 Gleneagle Drive. Meetings are normally held on the fourth Wednesday of the month. Information: www.wescottfire.org or call 488-8680.

Jim Kendrick can be contacted at jimkendrick@ocn.me.

Correction

In the April Wescott article, Brett Lacey was incorrectly identified as the El Paso County fire marshal. He actually is the fire marshal for the Colorado Springs Fire Department. ■

JUC TREATMENT COSTS (Cont. from page 1)

Original Looper bill requirements

Wicklund reviewed the evolution of the nutrients bill, HB12-1161, that the Colorado Rural Communities Coalition had been able to put before the Legislature. This coalition consists of about 40 small districts in El Paso County and throughout the Western Slope. The coalition is led by Wicklund and Fountain Sanitation District Manager Jim Heckman.

This bill was sponsored by Rep. Marsha Looper (D-19) and co-sponsored by Sen. Keith King (D-12). Originally, the bill estab-
