# Purple Mountain Jewelry

"Fine Jewelers creating jewelry that starts a conversation."

Stop by and check out our Vintage collection.

Come enjoy the story behind our pieces and revel at the workmanship of our forefathers. We have rings, earrings and unique key pendants many of which are set with our custom-cut colored gemstones. If you fall in love with a mounting but would prefer another stone color, we can create a custom ring... just to your specifications. Most vintage styles are presented in affordable and wearable sterling silver but other metals are also available.
