### County prescription discount program could save you money

El Paso County's prescription discount program saved 10,000 residents \$250,000 in discounted medicines over 18 months at no additional taxpayer cost. People using the card saved an average of 23 percent. There are no eligibility requirements and no strings attached to receive the discounts. You can pick up a free Prescription

Discount Card at most county government locations or you can download your own personalized prescription discount card on the county website (bottom of the front page) at [www.elpasoco.com/](http://www.elpasoco.com/). Any county resident without prescription coverage can use this program. Even if you have insurance for prescription medications, the discount card might save you money on prescription medications your existing plan does not cover. For information, visit [www.elpasoco.com/](http://www.elpasoco.com/) or call 520-6337 (MEDS).
