

fill a 40-hour a week case manager position. This person would work with clients and determine courses of action to help them and connect them with the appropriate resources.

Chapin said, "Everyone is one or two catastrophes away from needing help."

See Tri-lakescares.org for more information about helping this organization or to get eligibility information.

**Hash oil extraction process restricted**

In an effort to avoid explosions when pressurized combustible gases like butane are used in the production of hash oil from marijuana, the trustees unanimously approved an ordinance prohibiting the use of compressed ammal gas as a solvent in the extraction of THC or other cannabinoids in a residential area. The ordinance does not apply to commercial or industrial buildings. There was no public comment during the open portion of the public hearing.

**Discharge of dangerous or deadly weapons within the town**

The trustees approved an ordinance to change the town code regarding dangerous weapons, since the code said that anyone could shoot any size weapon that uses gunpowder, or archery projectiles from a bow, in their backyard on their property, "if done safely and the projectile does not leave the property." Monument Police

Chief Jake Shirk said this puts citizens in an unsafe position. He said other codes in state usually prohibit shooting within town limits except in approved shooting galleries. Shirk also noted that the current ordinance does not allow police officers to legally discharge their weapons

inside the town limits while in the performance of their duties.

The code adopted on July 21 states, in part, that "It is unlawful for any person to discharge a revolver or pistol of any description, shotgun or ri e, which may be used for the explosion of cartridges, or any bow made
