

Gleneagle Sertoma supports Senior Center, March 23

From left: Tri-Lakes Health Advocacy Partnership (HAP) board President David Betzler accepts a generous grant from Rae Berg, Gleneagle Sertoma vice president for support, and Gleneagle Sertoma President Bill Bristol. The grant enabled HAP to purchase audiovisual equipment, including a digital LCD projector, Blu-ray/DVD player, speakers, and a wide projection screen that is seen as the backdrop of the photograph. The new equipment will enhance the quality of presentations and entertainment available at the Senior Center. Gleneagle Sertoma provides grants to several local nonprofits and sponsors a variety of community programs. More about Gleneagle Sertoma is at www.GleneagleSertoma.org. Monument requesting public input on proposed parks improvement

Above: Public input is requested regarding proposed parks improvements at Limbach, Dirty Woman Creek, Lavelett, and Park Trail Parks west of the interstate. A parks survey was mailed to all Monument residents in fall 2014, and public input meetings will be scheduled this summer before decisions are made for the 2016 budget.
